Dear Nick,

I have decided that I would like to retire from the GGS Teaching Staff at the end of this year.

I would like to leave when I am still enjoying my teaching and when my health is still good.

I am most grateful to The School for many happy years here. I have particularly enjoyed my friendship with you.

I shall continue to be a loyal supporter of the School.

With my warmest regards, sincere thanks & best wishes for the future Happiness of you and your family,

Yours ever,

Jonathan
