Name:

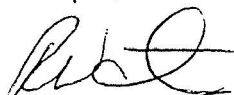

**STATES:**

I have previously made a statement to the police regarding an incident at Geelong Grammar Highton Campus when I was there.

I have been told by the police that whilst I was at this campus former boarding house assistant Philippe TRUTMAN fondled my penis 30 times or maybe more.

I have no recollection or awareness of the conduct occurring and I would not have consented to this behaviour. This has affected me

Statement taken and signature witnessed by me
