12/9/2008

11.47am

Received a phone call from REDACTED (would not leave his surname) asking to whom he should speak about his son (would not leave his name) being abused by a member of the teaching staff at Highton campus where he was a boarder. He advised that he would be speaking with his lawyers today about the matter. SDM was not available to speak with REDACTED but CJS suggested he ring back to speak with SDM when and if he felt comfortable to do so.

1.00pm

REDACTED phoned again and advised he had spoken with his lawyers and that his son's name is BIV. He also advised that the Highton staff member was Philip Trutmann and that the Housemaster, Chris Noble, and the Nurse, Kate, were told but nothing was done. John Bugg was the Head of Campus at the time. The incident/s occurred during 1987 and 1988.

REDACTED is speaking with his lawyers at 4.00pm and suggested that SDM phone him back before then – phone No. REDACTED
