Mr. Stephen Meek,
 The Principal,
 Geelong Grammar School.

PERSONAL AND CONFIDENTIAL.

Dear Stephen,

I write with sorrow and regret to inform you that I was arrested this morning in connections with alleged sexual offences committed against BLF REDACTED REDACTED committed between 1976-78.

I am extremely sorry that I may well cause the School some embarrassment and I shall do everything possible to minimize the damage caused.

If I am charged with offences, I shall plead guilty.

The fault is 100% mine and not the school's.

I will keep you informed of any developments.

I am away until Thursday 12th October. If you wish to speak to me about this sad matter, please let me know.

With my apologies, I feel very ashamed.

Yours sincerely,

Jonathan Harvey
 J.F.C.HARVEY.
