Dear John,

Happy New Year to you, Vibeke and your father.

Once again I have been enjoying seeing friends and family in South Africa. Three of the families with whom I stay are very much schools-orientated. I cannot but notice in the various school magazines what a large part societies play in the lives of the school. This is an area where we are, I fear, lacking.

I am keen to get involved in some administrative and/or public relations role at GGS. I do not think that teaching 5 blocks of maths plus current affairs, is going to stretch me far. As you know, I am very keen to get involved in the public relations side of our Asian students. I do not wish to get involved in admissions nor do I wish to get involved in the pastoral care of the students apart from occasionally entertaining them. I pass through the East virtually every holiday and I would be happy to play a minor PR job with parents in Malaysia, Thailand, Hong Kong & Singapore. I do not wish to be paid nor do I ask for hotel bills nor air line tickets to be paid. I believe that we cannot do enough PR in SE Asia. I know that AJM is going over soon & that AJH may well want another trip. As I shall be in the region during my long service leave I hope that you would think it fitting for me to look up our parents.

Best wishes for 1992. Yours, Jonalt
