Dear John,

As promised I am writing you a letter to offer you the position of Senior Teacher in charge of English in the Upper-Primary and a teacher of Grade 5/6 children, together with the position of Boarding House Master for the period of my reign as Master of Glamorgan.

As you know, because of the sudden death of the Head Master, no senior permanent positions are being made to the school.

I am looking forward to having you on my staff, and am quite sure that you will have no difficulty in convincing the new Head Master and my successor of the valuable contribution that you can make to Geelong Grammar as a whole.

The second part of your appointment as House Master of the very small Boarding House would require you to live in the Grey House flat and be responsible to me for the health, safety and happiness of the boarders.

I know that later on in this term you intend to come in and work with Roger Morton for a day or two to ensure a smooth change-over next term, and for this I am grateful.

Mr. Ritchie will confirm your temporary appointment in a letter laying down the conditions of employment.

Kind regards,

Yours sincerely,

E.V. BUTLER
THE MASTER
