

What there more.

Can you guess who this is?
I bet you do... don't you!

I just wanna say hi and
see how's life with you
back in Melbourne. [REDACTED]

I hope by now, you've received
a postcard that I've sent to
you earlier. To be honest with
you, after that Monday, I rea-
ly wanted to see you again. Of
course I was hoping that we
could have fun again, just the
two of us. But I guess I'm
that lucky after all. You know
[REDACTED] I really did enjoyed
my time with you despite the
fact you're a terrible tourist you
I enjoyed your company and
I enjoyed doing things with
you, ... that I must admit

SINGAPORE AIRLINES

Even though I didn't get the
 chance to see you again, but I
 hope, that doesn't mean I don't
 want to I really really want to
 I wanted for you call until the
 day I left for Singapore. I don't
 know whether you had fun having
 me around or is it the other
 way round. If... in any way, my
 presence, some sort of had put
 you in a dreadful situation,
 please forgive ^{me} alright mate? I
 just don't know how you felt.
 It may mean nothing to you
 but it meant a lot to me.
 Anyway it was nice seeing and
 meeting you. Jonathan was
 right all the time. You are
 a nice guy and he also said
 that I will not regret wanting
 to go to bed with you for
 which I did. So REDACTED I
 guess... I guess I ought to

So far now. I'll write to you
again later, but please promise
me that you'll reply every
single one of my letters... O.K...

By the way, together with this
letter, I've enclosed my personal
card so, if you wish to write
to me, you may address your
letter based on the address
on the card. As for me, I
will always write to you, which
is a promise and if you
happen to mind me writing to
you too often, please do inform
me. I don't want to trouble you
more. Enough is enough wouldn't
you agree.

So, mate it's time to say,

claw!

I will always keep in touch.

See ya!

Love

BKS
