Dear Sgt Wilson,

I am writing to confirm the outcome of the School's investigation of the potential incident involving BLG [redacted]

As you are aware, the School arranged for BLG [redacted] to be separately interviewed by Dr J M Court, a specialist paediatric and adolescent physician, who is also a consultant to the School. Dr Court concluded that there was no indication that BLG [redacted] had been the subject of any abuse by the relevant teacher.

Moreover, I note that BLG [redacted] has not made any allegation of abuse to Dr Court or otherwise, as far as I am aware.

Notwithstanding that there is no evidence of any impropriety in the relationship between BLG [redacted] and the teacher concerned, the teacher has been counselled by the School in relation to his behaviour which gave rise to your initial concern.

Thank you for the professional manner in which you drew this matter to the attention of the School and in which your investigations have been conducted.

Yours sincerely,

Lister W. Hannah
Principal
