BLS

Dear BLS

Thank you for your letter. I am pleased to hear that you will in fact be joining us in 1982. I trust that your time at G.G.S. will be a happy and profitable one. I look forward to seeing something of your work at close quarters.

A brief word about salary. Your qualifications and experience entitle you to begin on Sub-division 14 of the basic salary scale of which you have already received a copy.

Yours sincerely,

(J. E. Lewis)
