Dear Stephen,

A suggested form of reply to this morning's e-mail is attached.

You will note that it foreshadows that you will contact BKR within the next week.

Matters which might be explored before contact beyond today's e-mail response would include whether there is a record of BKR's complaint and if so how it was treated, whether there were other complaints made against the same member of staff BKR's school record and in particular the circumstances of his departure from the School.

As you will have observed, this letter is to a degree contradictory but its objectives have been made clear enough.

I shall be pleased to discuss the suggested response and the foregoing with you.

Kind regards,

Gavin Forrest
