Dear Richard,

Thank you for your letter of 17 October 1997 in relation to BIR.

In response to the points raised on page 3 of your letter,

- (a) I agree with your recommendations,
- (b) Can Jamie Fisher, or other contacts through Harwood Andrews assist us in this regard?
- (c) We have looked for BIR School records without success. Given his relatively brief period at the School and the fact that he did not stay long at Corio, it is not surprising that there is little information about him.
- (d) I have prepared a letter to our Broker, Kevin Ginivan at Aon, which I attach for your comments.
- (e) You are correct in continuing to assume that the School would prefer to resolve this matter by negotiation rather than litigation.

You may wish to ring me about the above.

With kind regards,

Yours sincerely,

Andrew W. Patterson  
Business Manager
