FILE NOTE
DR ROLLESTON

COPY

I telephoned Mr AWC at his work number REDACTED. He works at REDACTED in REDACTED Mosman. His mobile number is REDACTED.

I said that the Board is reviewing complaints concerning old allegations of sexual misconduct by a medical practitioner against a young person and as he had made a complaint of this nature in 1998 I was contacting him to see if he would be happy should his complaint be reviewed. He said, "I would be 100% happy for this to happen." I said that I would bring this to the attention of the Board and the Board would contact him again.

His home address is REDACTED
