T/C with (numbers are: Home: **REDACTED**
W **REDACTED**
M: **REDACTED**

Advised that we were looking after^{into} the complaint & would need to talk to him & his brother further about.

He advised that they would both be happy to discuss it & he would arrange for his brother to come to his place.

He advised the reason he complained was in case anyone else had and to add his name to the list.

I advised that I would be away for the next weeks & he will email me after speaking to his brother.
