**PRIVATE AND CONFIDENTIAL**

Dear Mr Dix

**Complaints concerning Dr John Rolleston**

I refer to the above matters and to the consultations that took place with the Board.

Following consultation and after consideration of the matters set out in S90C(1) of the *Health Care Complaints Act 1993* ("the Act"), I have now determined pursuant to s. 90B (1)(a) of the Act that the Commission will prosecute a Complaint against Dr John Rolleston before the Medical Tribunal in relation to each of the complaints in the Commission files 03/01056, 07/00070 and 09/01047

However, having regard to the other complaints being investigated in relation to Dr Rolleston and the criminal matters currently before the courts, I intend to defer the filing of a Complaint in these matters until the Commission's investigations are completed.

Should you have any questions in relation to this determination, please contact me on 9219 7525.

Yours faithfully
