Rhonda,

I attach a DRAFT advice only. I have not checked it for typos, grammer etc.

Would you like to look at it just to check any factual errors or any omissions.

If you do not have the time, that is fine. I will correct it myself and send it off.

thanks for all your help. Invaluable,

Regards,

Phil

Hi Philip,

I agree with your assessment of our investigation division! I have located Dr Pollitt - in the very same practice he shared with Dr Rolleston and Dr Dowsett in the 1970's! I have attached my file note of the conversation I had with him!
