

Dr Rolleston

Need original of tab E. Referral letter.

Signature – “Rolleston” ?

Statement by **REDACTED**

Stating that all 3 children physically & sexually abuse from a young age by father. Corroborated that Dr Rolleston came to the house when grandfather had heart attack.

Statement by Brother **AW** contains complaint.

Age of matter. Dates of allegations

Delay – compliant

Delay – HCCC – investigation.

Complexity. 2 complaints – tendency.

Co incidence

Letter from medical defence raised issue of stay of proceedings.

Possible de-registration.

Abuse of process – stayed

Serious allegations – sexual assault by a doctor [illegible] with child.

Matter of public importance

Fitness to practice medicine having regard to any proven misconduct.

Ask for de-registration or restriction of practice – cannot examine children under 18 yrs. Cannot examine if not accomp by adult.

Overriding public interest

Complaint known and investigated over a number of years.

Justify delay objectivity

Present fitness to practice which is the principle and ultimate issue of public interest

Past misconduct

D.O.B. **RED** 1938 70yrs

AWD s/ment did not know what was happening aged 12yrs.

AWO added as complainant.

Need expert review to state that behaviour unacceptable to profession.

Send memo to Invest.

About requisitions.

Provide a summary of what done addressing num. order in memo.

Why not done?

Time frame?

When available?

Why not provided by police memo of understanding.

O’Gorman memo 23.4.08

Clarify

What is bro’s role – complainant?

Witnesses.

Draft letter A-G Dept. briefing S.C. & reasons why necessary.

Don’t speak to brother again? In what capacity did he give statement? Clarify.

~~28/5/0~~ 17/12/07 Dr Jeremy Bunker

Is he doing expert opinion.
