PRIVATE AND CONFIDENTIAL

Dear Greg,

Re: Dr John Rolleston (MPO 085512)

I refer to previous correspondence.

You are instructed to provide further advice in relation to the merits of a disciplinary prosecution against Dr Rolleston before the Medical Tribunal, following a further investigation into the matter.

As you may recall, this matter involves two male complainants who allege that Dr Rolleston sexually assaulted them during patient consultations in the 1970s when both men were in their early teens. These complaints were raised with the HCCC in 2006.

I enclose for your attention the original blue folder containing materials in respect to which you provided advice, plus a copy of the further investigation report and attached materials.

I require the advice by **3 October 2007**.

Please do not hesitate to contact me, should you wish to discuss the matter further.

Yours faithfully

Karen Parouchais
