Attention: **Mr Ian Thurgood**

Dear Mr Pehm

Proceedings pursuant to section 66 Medical Practice Act 1992
 Dr John Philip Rolleston, MPO 085512, DOB: **REDACTED** 1938

The New South Wales Medical Board has received data from Medicare Australia indicating Dr Rolleston may have breached conditions of his registration. The Board has considered the response of Dr Rolleston's legal representative, Mr Andrew Davey, dated 5 February 2010 to this concern. The Board recently resolved to convene section 66 proceedings to consider the possible breaches of Dr Rolleston's conditions of registration and to consider the adequacy of his current conditions in light of further complaints received by the Board.

The New South Wales Medical Board has determined to hold proceedings pursuant to section 66 of the Medical Practice Act, 1992 to consider whether any action should be taken, either suspending or placing conditions upon the practice of Dr Rolleston. It does this in the context of its jurisdiction to protect the public.

Dr Rolleston has been invited to attend the Medical Board on **Thursday 25 March 2010 at 10:00am** to meet with Professor Helen Lapsley, Dr Karen Arnold and Dr Ivor Zetler, the delegates of the Board who will hear the proceedings. The hearing will be held in the Bernie Amos Hearing Room located in the Old Medical Board building (Building 54) at the former Gladesville Hospital.

The Board will advise you of the outcome of these proceedings.

Should you wish to discuss this matter prior to these proceedings, please contact me on 9879 2227.

Yours sincerely

Bronwyn Sharp
 Legal Officer
