Dear Wayne,

The correspondence I received from you regarding AHG should be sent directly to my parents. I am not and do not intend to become a mediator or family representative in these issues.

If my parents ask me to help them find representation, it then becomes an issue between them and I.

For your information their current details are:

REDACTED

I am disappointed that you are having to confront these issues that relate to my father and you can be assured of my prayers and deep concern.

Yours sincerely,

Brian Houston
