Megan,
 Can you work on this for me, and let Karalee know that I have responded. Thanks, B

Dear REDA

I received your emails this week and was VERY alarmed and shocked by them. I remember AHH very well as a kid, and have often wondered what happened to him? I even remember his birthday was REDACTED (I think!) And we are REDACTED. But it is probably more than 30 years since I have heard where he is. It's great to hear you have followed the Lord, and that your daughter is involved in ministry REDACTED. I have never heard before any allegations about Frank with AHH though, so it is very upsetting for me to suddenly hear this now.

Whereabouts in New Zealand do you live? I will be in Auckland in April/May and would be very happy to catch up with AHH if you live near Auckland.

I was 45 years old before I heard even one whisper about my fathers behaviour, and it has been by far the worst thing I have ever had to confront and deal with. It has taken a toll in different ways on each of my siblings. But obviously, anyone who my father may have abused has suffered a far greater pain.

Let me know if AHH and I can catch up,

Blessings,

Brian H.

Ps. REDACTED was an adult when he first met my dad in the late 70's.

Pastor Brian, I wanted to forward this directly to you, as I know this is the second email to come through in 2 days. Please let me know if there is anything I can do to assist.

Hi Brian

Emailed yesterday but may have used wrong site.

Could you please contact me urgently regarding your father and my husband. From what he said years ago he got on better with your brother Graham, but you seem to be the only one available ie 'out there'

AHH's mother is about to be eighty this weekend. (You may remember her, lots of baking) I would really like all this abuse stuff sorted before she move's off to Heaven. (Lovely lady)

PS I went out/nearly married **REDACTE** I hope your father didn't abuse him as well! He was always washing his hands, hmm

REDACTED

What your father did to my husband has had an impact on all our lives. To move forward we need to deal with it. Sorry, realize it wasn't you but unfortunately I think you are the only one to deal with it.

REDA **AHH** 's wife of nearly 30 years.
