

DRAFT STATEMENT TO AOA

The Board of the Hutchins School reaffirms its goodwill to Mr AOA.

The Board has carried out extensive investigations into the matter but is unable to find any corroboration of the matters complained of. Nonetheless the Board is concerned that Mr AOA, as a past student of the school, says that he has suffered as the result of the activities of the former headmaster of the school.

Consequently the Board regrets and apologises for any hurt or upset resulting from the matters which Mr AOA says occurred when he was a student at Hutchins.
