

Called AOB [redacted] by return call on 14/5/13

REDACTED

Ian Broinowski

Asks --- "Can he see correspondence between us?"

Yes--- read a letter over the phone to him that was sent to me by Dr Ian Broinowski. It appears AOB [redacted]'s concern was that Ian Broinowski was interfering in the conversations between me and AOB [redacted] and that AOB [redacted] felt rather "set up".

AOB [redacted] noted he had a conversation by phone with John Kerr and that John Kerr admonished him for his contact.

Warwick Dean (signature)

AOB [redacted] noted he was happy that he now had a clear understanding between him and headmaster and between himself and Ian's motivation to write to me and the telephone call that transpired between headmaster and Ian.
