THE RIGHT REVEREND JOHN D. HARROWER, O.A.M.
BISHOP OF TASMANIA

3rd April 2002
FAXED

Mr. W. Toppin
Principal

SANDY BAY 7005

Dear Bill,

Thank you for your fax. The Bishop, as you would realise has been interstate and was back in the office Thursday last week for the first time for over a week.

He did see your draft letter and suggested the re-arrangement of the second last paragraph as in your final draft.

Is it correct that the Board "cannot be held accountable for events that occurred more than a generation ago"?

Has the board now decided to withdraw the offer of counselling in your original draft? The Bishop would have liked such an offer to remain, but that would be a Board decision.

Yours sincerely

William Hass
Registrar.
