Dear Bishop John,

I have considered the letter addressed to you from

I recommend that you respond to Mr. as follows:

Thank you for your letter which I acknowledge was difficult for you to write. You have requested consideration of your claim of sexual abuse whilst a student at The Hutchins School during the 1960's and the institutional response of The Hutchins School to your claim of sexual abuse. I note you have already reported this matter to Police.

Would you be willing for me to raise these matters with The Hutchins School?

In particular, I understand that your concerns are to know whether there have been any other claims of sexual abuse made against the Headmaster, the late Mr. DR Lawrence, and what the reasons were for him leaving the School.

I can on your behalf request a response to those matters. However I have no power to compel The Hutchins School to respond but I can as Visitor to the School request the information be provided.

Can you advise whether you are willing for me to act as outlined above?

Yours sincerely

I thought it best to advise that you do not have the power to investigate this matter or require the answers to be given but can ask the for the information. I think it is likely the School will wish to cooperate.

Please feel free to add any general comments regarding concern for Mr. .

If you have any queries I would be happy to discuss them with you.

Regards,

Audrey
