

Mr AOA  
REDACTED

Dear Mr AOA

As Headmaster, on behalf of The Hutchins School, I sincerely apologise to you for the hurt and distress you have suffered as a result of the abuse of Mr David Lawrence whilst you were a student at the School.

I regret that this apology was not given to you at an earlier time.

The School has now adopted a policy to deal with complaints received by adults of sexual abuse whilst attending the School. This policy provides a process offering counselling and pastoral support. Should you wish to consider an offer of pastoral support please contact me or the support facilitator at the School, Mr Alan Dear (phone: REDACTED).

Yours sincerely

Warwick Dean  
HEADMASTER
