Dear Jane:

The following are the details we were able to find re:

VJ  and VI

- Both took part in the 1996 Class Action (SLATER & GORDON)
- Unfortunately both received just \$2000 each and signed the Slater & Gordon document - so cannot receive any more money

did not sign anything

VJ  was helped with a \$3,200 to pay for medical & psychiatric bills.

Both are able to go to TOWARDS HEALING but can get no more cash because of the Slater & Gordon document.

Yours sincerely  
Fr. Peter Regus

Sam, in case you missed it - no more cash!
