Dear Ms Foster

We refer to our letter of 3 December 1998.

As you are aware, the compensation payment is to be held in trust until your 18th birthday. At that time, you will have the option of ratifying your acceptance of the compensation offer and signing a release and receiving the compensation payment together with the interest that has accrued. Alternatively, if you do not ratify your acceptance of the compensation offer, the funds will be returned to the Archdiocese. In that event, any legal rights that you have will be unaffected.

We **enclose** a proposed trust deed. It will be necessary for you to nominate a trustee to represent your interests. Would you please advise us of the name and address of that person, together with any comments that you have on the enclosed deed. We will then arrange for the document to be finalised.

As these issues involve legal complexities, you may wish to seek independent legal advice in relation to the document.

If you have any queries, please contact the writer.

Yours faithfully
