Dear Nicki,

Re: Foster Family

Further to our telephone conversation, please find the protocols attached, as discussed.

I write to authorise the fee of \$110.00 per session with the Foster family.

I understand that these sessions can take up to one and half hour but as discussed it is difficult to complete family sessions within an hour.

Please contact me at any time should you have any further questions.

Yours sincerely,

for
Elizabeth Harding
Carelink Co-ordinator.
