

Hari Om

Firstly, my apologies for taking so long to get this together, but finally you are getting to hear from us. I have to admit that I have not got the time to devote to this network, and consequently Muktanand has agreed to help, which means she will probably be doing the lions share of the work.

This initial letter is just to give everyone a copy of the list of interested people, and to let you know we are under way at last. You may recall that the criteria for membership is \$10 p.a. to cover costs plus 6 self addressed envelopes (suitable A4).

Now that we have started, let's work on keeping up the contact and exchange of ideas and information which was our original purpose.

P.S. from Muktanand

There is a letter attached from Samidha to everyone in the network, and I look forward to more of the same as you feel moved to write.

Please send letters, envelopes and money to Muktanand, 18 Rosary Crescent, Highgate Hill QLD 4101.
