Hari Om

Enclosed is a copy of my letter to Swami Akhandananda which is self-explanatory.

Swami Akhandananda is and always will be my disciple, but we have to be very clear in our minds about the importance of an organisation as opposed to that of an individual. The individual merely plays a part in the growth and development of an organisation and works for the welfare of others and therefore any organisation which has been created with the help and support of the people cannot be sacrificed for any one person.

Therefore, Swami Akhandananda will have to clear the charges levelled against him as a private individual without dragging the institution into his affairs. As such both of you will assume Joint Chairmanship of Satyanandashram, Australia (SWAMI POORNAMURTI; ADMINISTRATIVE AND LEGAL AFFAIRS/SWAMI ATMAMUKTANANDA; MANAGER MANGROVE MTN AND BRANCHES) and the duties of paramount importance which lie ahead of you are:

- To restore Satyanandashrams, Australia as a spiritual abode where people can come as they did before for their spiritual upliftment.
- Make necessary arrangements to maintain the welfare of members of Satyanandashrams, Australia, and its associated bodies according to the Articles of Association.
- To settle all records of the Ashram which may have been affected due to the internal disorganisation or due to the charges levelled against Swami Akhandananda, and for this you may have to seek assistance from the relevant Government authorities for any advice they may wish to provide you to help with the task of necessary organisation.
