Swami Hridayananda'  
Blessed Self,  
Hari Om,

Mitra sent a forwarded e-mail to me about these celebrations, but I have not been able to open the link or use the special code. Mitra also said the link did not work for her. I am keen to know what is on, and to attend if possible. How should I go about finding out?

Hari Aum Bhakti  
We have had all our computers down for two weeks!  
So you will need patience to access the webpage [www.mangroveyoga](http://www.mangroveyoga) but here goes  
remember I am ancient and truly if in doubt with computer re-butt  
The Easter program and the secret code is for free stay or by donation  
simply type in 40th-0001 in the voucher section of the on-line booking form.  
The Anniversary 18 to 21 April will cover stories of past events here in Mangrove, pictorial views of us  
in 70's, 80's 90's kirtan fire ceremony, relaxation sessions chai stall vegetarian feast.  
I am praying for all the old gold ones who were here to come and visit us to see the work we have done  
in the 40 years Mangrove has been functioning  
I am asking everyone who stays will bring a tent as we have limited accommodation,  
Hope this helps, let me know if you need more information.
