Swami Hridayananda
Hari Om,

I found an e-mail enquiry address for the 40th birthday celebrations and have e-mailed that address in addition to the e-mail I had sent you.

REDACTED, freeing me up a little. I have contemplated spending time at Mangrove for some time and wondered if this is a possibility. REDACT and I have recently returned from spending 10 weeks at Ganga Darshan, and it would be good to keep up the contact with ashram. Would it be possible for me to visit for seva stays?

Om

Bhaktipoorna.
