

Hani an APL

This is just small gift from me
 to some one like you who I know
 is really shiny. I am very pleased
 that you are getting things together
 and happy. It makes me very happy.
 If you need anything at any time
 you know what to do. I got your letter.
 Do know some thing funny. I think
 of you more than I thought I would think.
 Karna ~~has~~ thinks he needs a bed for
 him self. So he sleeps - gusse. where?
 With heaps of love and unconditional
 blessings. Yours. Swamiji

Let me know if you need
any thing.
