Dear Friends

Honi am tat sat.

Hope you are well.

I am thinking of you always.

You and the Ashram are ever in my heart,

The Ashram indeed is a beautiful creation.

Its beauty is ever magnified by our unswerving dedication and hard work.

It is prosperous and rich in vitality,

strong yet unique, powerful ^{yet} ~~and~~ precious.

Created to last for years and years.

The Ashram is a ~~per~~ very precious paradise,

Filled with strength and knowledge of yoga and

will serve the mankind ^{for} many years to come.

Preserve it with care.

Use it with wisdom.

We have worked very hard ^{to} create this precious gift for humanity.

Take every measure to protect it, -

Ashram ^{From} falling in to the hands of selfish

vultures who are hovering above with

hungry stomach waiting to eat the lot

and satisfy their own ~~stomach~~ selfish ego.

Stand firm with dignity.

Work and live together as brothers and sisters

sisters with unity.

Preserve the ashram with unswerving -

solidarity. ~~with unswerving solidarity~~

Honi am tat sat.

At your service
