Dear Steven

Claim against The Salvation Army

We refer to your claim for medical fee reimbursement in respect of the settlement agreement made between The Salvation Army and yourself, dated 10 July 2009.

A copy of this settlement deed is enclosed for your attention.

You received a settlement sum of \$100,000.00 inclusive of costs and any amount due to Medicare Australia in full settlement of your claim and in order to avoid the expense and inconvenience of litigation.

The deed made no provision for future payment for medical or dental expenses.

Accordingly your request for payment for medical expenses including dental care is refused. Should you have any further concerns regarding the deed of settlement we suggest you contact Mr Matt DeGregorio of Duncan Basheer Hannon who represented you at the time.

Yours faithfully

Nevett ford
