Dear Mr BQQ

Thank you for the letter which you delivered to my office on 13 February. Unfortunately I was out of my office and unable to speak to you.

You are probably aware that we have publicly apologised to any former students who have suffered as a result of inappropriate behaviour by Mr Kevin Lynch.

Whether or not you intend to take legal action against the School, if what happened to you in your meetings with Mr Lynch is as you say, and frankly we have no reason to doubt your regard to what has now been revealed, I have no hesitation in apologising to you. My apology is also on behalf of the Board of Trustees and management.

Likewise, as to the bullying you describe, we apologise, without qualification or condition, for anything like that which you describe which you suffered.

I understand from my secretary you were aware of the counselling service offered by the school to former students who have suffered as a result of Lynch's behaviour. I again repeat that offer to you. If you would like to avail yourself of that offer, then please let me know and I will put in train the necessary arrangements.

Lastly, I would like to meet you personally to bring you up to date with where we are at Grammar today because I certainly hope you will continue your Grammar tradition. Please telephone if you would like to make an appointment.

Yours sincerely

DR P G LENNOX
