Hello Everybody,

We are very sorry to have to let you know that Mr Grant is going through some personal problems right now and won't be returning to RGDANCE at the end of the school holidays.

It's all been very sudden but we have to ask that you respect Mr Grant's privacy and allow him to do what he needs to do to get his life in order.

We are still coming to terms with what it means to move forward without Mr Grant being involved around the studio. Please rest assured that the standard of training and care that you expect from RGDANCE will continue at the same level of awesomeness. Although this is a challenging time for everyone we will continue to provide the best possible dance training for our students.

Thank you for your understanding and support at this time. We really do mean it when we talk about you all being part of the RGDANCE family and we know that you will work with us to ensure that RGDANCE remains the best it can be as we move on into the future.

For those people involved in holiday workshops (8 and 10 and under rehearsals) or TOKYO, we will have schedules out to you shortly.

If you have any urgent matters you wish to discuss with us please contact John on REDACTED

Love and best wishes,
Rebecca Davies, Jenny Davies, Susan Davies and John Barnier

Grant's message:

I regret to inform everyone that I will be stepping down from RGDANCE at this time, due to a personal matter which I am not able to discuss.

Knowing how much I care about RGDANCE and everyone involved I ask you respect how hard this action is for me and refrain from contacting or attempting to discuss this with me.

The wonderful Miss Rebecca and our incredible staff will continue to provide outstanding training and guidance for all. The only difference will be the noise level.

With Love
Grant Davies.
