**Subject:** AN UPDATE FROM REBECCA DAVIES

Tonight the Burwood Police came to the studio to execute a warrant to search the premises. We have continued to cooperate fully and offer every assistance as they searched the building to ensure that there was no material pertinent to their investigation on site and to ensure that the premises are secure for classes to continue safely for our students.

Detective Superintendent Mark Jones and his colleagues have spoken to me as much as they can about the progress of the investigation and Detective Superintendent Jones has arranged to attend the studio tomorrow at 6pm to speak to our parents ahead of the case being addressed in court and to answer as far as possible any questions you may have. The police are seeking to deal with the case as soon as possible so that everything can return to normal as soon as possible.

The police have agreed to speak to our children as well while they are here tomorrow night in order to provide reassurance that the police are here to protect them, but please understand that this is entirely your choice and if you would prefer that your children not speak with the police that is entirely for you to decide.

I look forward to this meeting giving you as much reassurance and peace of mind as possible under these difficult circumstances.

Rebecca Davies
