Hi Rebecca,

I am writing to let you know due to circumstances REDAC will be leaving RGDANCE. I am sorry I could not speak to you personally regarding REDAC leaving. I had wanted to tell you when I called you last week but had found out between calls that you were preparing for your competition and I did not want to interfere with your preparations, so I spoke to your mum and explained what was happening.

REDAC was sad to be leaving you and REDAC but knows that he will still be able to see you both.

I would like to thank you for giving REDAC some beautiful opportunities and both REDAC and myself appreciate everything you have done for him.

Rebecca you are an amazing and gifted teacher and I hope that the crazy world of dancing is kind to you. You made a big impact in my little boys life and im sure you will always have a special place in his heart.

All our love

REDAC and BZN x
