Hi John,

It is such a shame that Rebecca couldnt reply herself to my Email. It is also very sad that due to the present situation of us going bankrupt REDA had to leave RGDANCE.

I would also like to add that on two occasions I wanted to leave and was convinced to stay. The first time I was told by Grant not to worry about the fees until I get back on my feet. He also added that it was more important to RGDANCE to have REDA and BZN at the studio but said that they couldnt cover RED, so I removed RED from the studio. This outstanding amount dates back to then.

Maybe I should go back on my word and hand our computer over to Jason, We were put through hell last year because we had that computer but didnt want to hurt the innocent members of your family. Trust me I wasnt trying to protect Grant. Rebecca knows exactly what im talking about.

The way this has been handled is disgusting. It goes to show how cold Rebecca Davies is, and how little she cares for the children in her care. Thank God REDA was forced to leave.

 Hi BZN

It's a shame to hear that circumstances prevent REDA continuing at RGDANCE. We've loved having him here and it would have been great if he were able to continue his dance studies with us.

No doubt you'll be pleased to hear that you have now nearly paid off the outstanding balance from REDA's fees for last year but I'm sure you'll understand that his 2008 fees are also well overdue. We will need the total outstanding balance of \$4436.00 to be settled as soon as possible. To that end please find attached in PDF copies of our invoices for REDA's currently outstanding fees for dance classes. If you could give us an indication of when you believe you will be able to pay this amount it would be greatly appreciated.

Thanks and best wishes,

John Barnier and Rebecca Davies
