Hey Guys,

Can we get together tomorrow please - we need to sort out the remaining soloist times (not just so we get them in place but also so we can allocate and start charging people for technique privates in the gaps left) and also unfortunately so we can discuss reducing your wages.

I wish there was a better time to talk about this but sadly with the big hit to our income we're facing this year we need to work out a level for your wages that RGDANCE can afford to pay... a level that will give us time to find our feet and adjust to our new circumstances and wait for the additional revenue streams from DVDs and workshops to come online.

If we can get through these first two terms I think we'll be in a good position to rebuild through the second half of the year, but first thing is we actually have to make it that far without going broke.

I really do believe our basic model remains as strong as it always was but right now we're struggling and we just don't have the money to pay you guys what we did last year...

I'm sorry... I wish we didn't have to talk about this... but even more than that I don't want to give those bastards who are trying to bring us down the satisfaction of seeing RGDANCE go broke.

So yeah it would be great if we could meet tomorrow to finally sort out this stuff out.

Soz and thanks,

J(B).

Hey R+G, just letting you know that the office wages (you, me, Susan and Lyndell) will go through tomorrow after the DVD money transfer hits RG's bank account. All the best, J(B).
