Hi guys

Thanks for your email, I thought that it was extremely well put and you might consider sending it around to the parents to stop the rumours.

Rebecca, I am waiting to hear from the REDACTED guys to see if they can give me any concrete dates for the workshop in the school holidays. Also guys do you think that REDACTED should do the REDACTED thing? If you do, please let me know.

I haven't put him in for any solos at present as he's focusing on REDACTED. I've not known him to be so motivated to get a role.

Thanks for letting him out early on Friday. The tap went very well and Gerry, the teacher, used to teach REDACTED. If it's OK with you we will try to do this on most Fridays as he is going through some of the dances in the show.

REDACTED I'm afraid won't be able to do the extra rehearsal next Sunday afternoon as the guy from Melbourne is coming to Sydney to listen to all the Sydney REDACTED and REDACTED. However, we won't miss the RG showing of Razzle Dazzle, very exciting!! On 18th March we should be able to make most of the rehearsals.

That's all I can think of at the moment. Will revert when I hear from REDACTED.

Cheers

REDACTED

Hello REDACTED

We know you understand that the welfare and happiness of all our students and families is of major importance to us and appreciate you approaching us in this direct manner.

On one occasion a family has approached us with concerns and the matter has been dealt with to their complete satisfaction. This family has requested that their confidentiality and privacy is respected.

We have heard that there are all sorts of inappropriate and untrue rumours

floating around and we ask that people do not participate in them for the benefit of the studio and the team.

Thankyou

Rebecca and Grant

Thanks Rebecca.

On Sundays REDACTED is having coaching with a lady called Chantelle Stratton who has her studio in Hornsby. The lessons are one to one but for a few Sundays she is getting the main singing guy up from Melbourne and having workshops for the day but hasn't decided which days yet. Thanks for the offer of the studio though.

Just thought I should mention that REDACTED came home with a load of rumours last night that he has heard from the kids about Mr G. and which I can promise he will not repeat but thought that I should let you know so that you could perhaps make an announcement to stop the rumours from continuing. If I can help in any way please let me know, you and Grant obviously know my number so please feel free to call.

Cheers

Hey there

That's cool.. nothing here we can't work around.

Are the singing lessons with all the Boys from Billy or are they one on one?

Do they all have the same vocal coach with Billy Elliot (was thinking the teacher is welcome to come to the studio if it is near by)

Not a prob with Friday

Look forward to hearing from you
