Dear Grant and Rebecca

Unfortunately I have a meeting tomorrow night that won't be finished till around 8.30 but will see what I can do.

I know which senior told RE and have spoken to RE severely about keeping her mouth shut and so has RE. This person also unfortunately told an individual that RE was involved, which RE can justify she was not and so can others. We have had problems with this person before but I have let it go for the sake of peace and harmony. Unfortunately she was very very upset about what she heard. As you know she holds you both in very high esteem, as I think I have told you many times.

I form my own opinions about people based on trust and what I see. I am truly sorry to see and hear all this and do hope you can and will resolve it, for everybody's peace of mind. Anyhow, hope to get to that meeting at some stage, if not, would like to know how it goes.

Regards

REDACTED

Subject: Parent Meeting

Dear Parents,

It has come to our attention that there are some damaging rumours that have been circulating around the studio, among the senior students and parents.

We feel that it is appropriate to address any concerns that parents may have and will be holding a parent meeting tomorrow night (Tuesday 19th) at 8.15pm for those who would like to be a part of it.

Any students that are in the 12/u conditioning class at that time are welcome to attend the 14u acro class.

Regards
Rebecca and Grant
