Start of email:

As of, Tuesday the 9th of April, I, Rebecca Davies severed all personal and professional contact with Grant Davies.

Since that time he has not had any involvement with RGDANCE or been to the studio in Chiswick.

This came about as a result of my reporting him to the police.

I have been cooperating fully with the police and at their request have been unable to discuss the matter.

A formal statement will be issued shortly after advice from my legal team.
