10<sup>th</sup> April, 1995 7.59pm Brisbane REDACTED McWatters to Gold Coast REDACTED Welch  
Phone call from Janice McWatters, sister. My sister asked if something was wrong because I was upset. I advised her I believed Bobbie had been sexually molested by a carer from GCFSG. My sister advised me to be careful how I reported this but I had already phoned Melissa Edwards at approx. 5.00pm (local call) to this effect - "Melissa I hate to tell you this, I think Bobbie has been interfered with, sexually Molested or raped, I don't know whether it has gone as far as rape" (I had a duty of care as GCFSG Coordinator as well to report as such and had been very clear and concise of how I reported this). I told my sister I had already reported this to Melissa Poole but I had not spoken to Dorothy Williams).

11<sup>th</sup> April, 1995 4.50pm Brisbane REDACTED McWatters to Southport 075 912 435 Williams  
Phone call from Janice McWatters, sister to Dorothy Williams (My sister had D.Williams phone numbers as she had made Bridesmaid dress for Bobbie for D.Williams Wedding) She advised D.Williams that I had told her Bobbie had been sexually molested. J.McWatters cannot remember rest of conversation. I had reported the suspected sexual molestation to M.Poole (Edwards) at approx 5.00pm 10<sup>th</sup> April but had not spoken to D.Williams as I had taken Bobbie to Dr. D. Moses that morning and intending going to GCFSG next morning to confirm my complaint of molestation to her as GCFSG Manager, then to Police.
