Dear Peter

Greetings and Peace

I formally inform you that I have received a letter from Dr Sandra Smith, jointly with Mr CKM of REDACTED, who has indicated that a statement has been made to The Entrance police stating that in 1982, aged 12, CKM was sexually abused by a CEBS group leader while attending a group at REDACTED Anglican Church. The alleged perpetrator is one CKN and I am made to understand that he has had no contact with REDACTED Church since the end of 1982.

With all good wishes,

Yours sincerely

***Bishop Roger Herft***
