Dear Dr Adam.

I have had a discussion with +Peter Stuart and given him permission to discuss the matter of my 'high anxiety' with you.

Following that discussion I will need your referral to see Ms. Rhonda Murrey, a Clinical Psychologist, for a psych. assessment. Her address is [REDACTED]  
[REDACTED]

For the record my principal concerns are that the diocesan focus is upon my mental health. I still believe that my mental health is is symptomatic, not causative. This needs to remain clear!

Thank you for all that you are doing
