Dear Paul,

**Re: The Crown -v- George Alexander Parker.
Port Macquarie Court 15th November 2000.**

We refer to the writer's telephone conversation with you and enclose herewith copies of the Summonses, copy of the Breach Report, copy of the Record of Interview of George Alexander Parker and a copy of a statement we took from George Alexander Parker.

The Brief is to be delivered to us prior to the 29th September 2000 and we are required to reply by the 10th November 2000. The writer will be overseas until the 1st November 2000. I have arranged with my Secretary to forward you a copy of the Brief when it is served on us. I will also be sending a copy to George Parker who is presently the Rector of Ararat and may be contacted on phone 03 53521109.

The Diocese of Newcastle is aware of the proceedings, as is the Bishop of Ballarat Diocese where George Parker is presently the Rector in the Parish of Ararat.

Subject to your concurrence we are of the view that we should attempt to cross examine the Informants, depending upon what is in the Brief.

If you require any further information if you telephone the office and ask for Helen Walters she will be able to provide you with that information or alternatively my partner Michael Williams will be able to assist you.

Yours faithfully,

NASH, ALLEN, WILLIAMS & WOTTON
