

PART III: Complete the following table even if there were no victims who came forward in the current audit period.

Total number of victims/survivors and family members who reported abuse during the current audit period and received services from the diocese. (This number should include those victims from other dioceses/eparchies to whom your diocese/eparchy is providing services).	
Total number of victims/survivors and family members who reported abuse in previous years or audit periods, but continued to be served by outreach services during this current audit period.
