

20/2/12. Royce came into the office today, he is hoping to get a perm. Part time position of 3 days per week with FOCAS. This would mean he would have regular hours and be available for regular times with Interchange. He will attend the general meeting in March and has offered to provide a snapshot of the most useful areas of the PART training he undertook through the Disability Trust.

17/4/12 Royce met with Janet and as a result of an issue with another service Royce is taking leave until further notice -
